

“Previously C (4 y.o) preferred TV but now, TV forgotten, she even suggested family singing time. She didn't even realized I took this pic, so absorbed in enjoying the tunes & tracing the words to Bubbles of Love! I didn't know she would want to **“read”**” (June, Karawaci)

“N (8 y.o) **has been having problem focusing & staying still.** But look! After hearing and watching her sister, nowadays, he has been very curious & focused on the songs & book! Sooo glad to have found Bubbles of Love!” (June, Karawaci)
